Use of Force and Warrants

- Objective Reasonableness
- “No-Knock” Issues
- Public Safety Seizures

General Search Issues

- Level of Proof
- With a warrant you must stop when the item you have been authorized to search for is found
- You may seize contraband in plain view
- If you find evidence of other crimes you may seize that too
- If searching without a warrant you must stop when the exception has resolved itself

Search Warrant Procedures

- Crime is reported
- Investigation connects evidence to a location
- Report is completed
- Affidavit and warrant application are written
- Judge signs warrant
- Warrant is executed
- Return is filed with Court
