- Penis
- Vagina
- Anus
- Sexual Intercourse
- Oral Sex

What are your concerns about responding to and investigating Sexual Assault complaints?

Ranking Exercise

- A. A woman is raped, repeatedly, by two unknown and armed assailants
- B. A man is secretly videotaped masturbating and the video is aired on the internet
- C. A woman passes out at a fraternity house and her boyfriend has sexual intercourse with her
- D. A woman's husband forces her to have sex with one of his friends while he watches
- E. A resident of a nursing home is repeatedly sexually assaulted but because of Alzheimer's does not remember

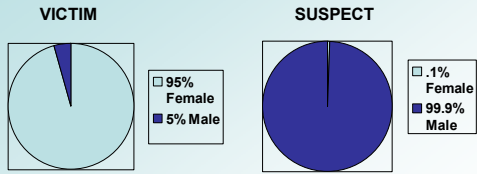

Group Exercise

- Watch the following video and imagine that you are one of the victims.
- Work with a partner and come up with a list of five things that would keep you from reporting the sexual assault that you just experienced

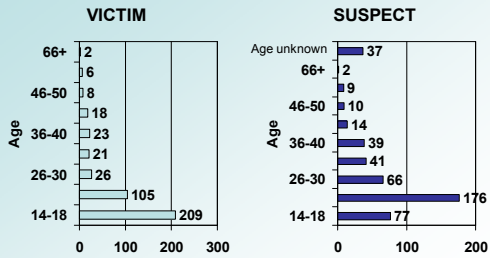

Suspect Defenses

- Identification
 - “It wasn't me!”
- Denial
 - “We didn't have sex!”
- Consent
 - “It was me, but s/he said it was OK!”

Based on what you know about Sexual Assault, how would you guide NTC's efforts to make the college community safer?

Scenarios and Attitudes

Scenarios

- A 19 year old woman is approached by two unknown males while walking home. One of the men (Man A) is armed with a pistol. Man A tells the woman to walk to a secluded area of a nearby park. Man A orders her to take off her clothes and then both Man A and Man B have sex with her. Neither man ejaculates.
- What can Man A be arrested for?
- What can Man B be arrested for?

Scenarios

- A 21 year old woman is at a fraternity party and becomes intoxicated. Eventually she is escorted, by her boyfriend, into his bedroom where she takes off her own clothes and then passes out. Her boyfriend rubs against her naked body until he ejaculates.
- What, if anything, can the boyfriend be arrested for?

Scenarios

- A woman's husband tells her that he is going to strangle her if she does not agree to perform oral sex on one of his friends while the couple is camping.
- What, if anything, can the husband be arrested for?
- What, if anything, can the friend be arrested for?

Scenarios

- A female resident of a group home who is significantly cognitively disabled voluntarily has sex with a male member of the group home staff.
- What, if anything, can the man be arrested for?

Scenarios

- A man reaches around a woman seated at a bar and while pretending to pay for a drink he grabs her breast.
- What, if anything, can the man be arrested for?

Scenarios

- A man comes home and tells his wife to take her clothes off so they can have sex. She refuses so he undresses her, pushes her legs open, and has sex with her. She does not resist physically but says, "Leave me alone!"
- What, if anything, can the man be arrested for?
- If she becomes pregnant as a result of that incident does that change the charging decision?

Scenarios

- A woman reports to police that she was forced to have sexual intercourse with an acquaintance and gives a detailed statement. No physical evidence is collected and no injuries are observed. The suspect is confronted and admits that there was intercourse but says it was consensual.
- Do you have probable cause to arrest?

Scenarios

- A woman reports to police that she was forced to have sexual intercourse by a stranger and gives a detailed statement. Evidence is recovered that links the intercourse to a specific suspect. The suspect is confronted and denies ever seeing the victim and has an alibi.
- Do you have probable cause to arrest?

Scenarios

- A woman reports to police that she was forced to have sexual intercourse by a stranger and gives a detailed statement. No evidence is recovered but the victim picks out a suspect from a photo line-up. The suspect is confronted and denies ever seeing the victim and has an alibi.
- Do you have probable cause to arrest?

Scenarios

- A woman reports to police that she was forced to have sexual intercourse with an acquaintance and gives a vague statement that contains several inconsistencies. No physical evidence of injury is observed and no evidence is collected. The suspect is confronted and denies that there was intercourse and has an alibi.
- Do you have probable cause to arrest?

Scenarios

- A woman reports to police that she was forced to have sexual intercourse by a stranger and gives a detailed statement. Evidence is recovered and a suspect is developed from a line-up. The suspect is confronted and denies ever seeing the victim and has an alibi, and his DNA does not match what was recovered from the scene .
- Do you have probable cause to arrest?
